

# LadyStyle toploader

*An elegant 15.4" notebook case in 'shopper' look.*

When travelling, your Notebook is stored safe and secure in the padded Notebook compartment. The well thought-out compartments offer plenty of storage room for documents, power supply units and more. The additional workstation in the front compartment handles cell phone, PDA, pens, wallet and such.

The LadyStyle is shipped with a detachable, small cosmetic case (for make-up, mirror and other personal accessories).

With the detachable shoulder strap you can decide if you prefer carrying LadyStyle on the shoulder or by hand.

LadyStyle is available in the three colours black, grey and brown in Jacquard design. The material mix of matt-finished Jacquard pattern (polyester) and the discreet applications in leather optics on carry handles and zips underline this elegant look. The interior is made of elegant, shiny, black lining.
